

CMS Solutions to Offer LifeSize High Definition Video Communications Solutions

Industry Leading Communications Solutions Enable Anyone, Anywhere to Communicate in High Definition Video and Audio

Chesterfield, MO, March 22, 2010 – **CMS Solutions a division of CMS Communications, Inc** today announced an agreement with LifeSize Communications, a division of Logitech, to distribute LifeSize HD video communications solutions. The agreement enables CMS Solutions a leader in IP Telephony solutions, with direct sales and service offices in 12 major U.S. markets, to enhance its portfolio of “Best of Breed” Unified Communication products.

As CMS celebrates its 25th year anniversary, Glenn Cosman principal stated, “The addition of LifeSize to our award winning portfolio of IP Telephony platforms allows us to deliver turnkey High Definition Video and Audio solutions that are practical and cost effective. Now we are equipped with the solutions customers demand: immersive HD quality and the flexibility to easily adapt and integrate into today’s network environments. We are pleased to team with LifeSize to deliver video communications that enable face-to-face meetings with anyone, anywhere at anytime.”

“We are pleased to have **CMS Solutions** join our partner network to expand the availability of LifeSize solutions,” said Joe Vitalone, vice president of Americas sales, for LifeSize Communications. “We realize the tremendous value our reseller partners bring to LifeSize and we are committed to providing them with a fully encompassing channel program that supports their efforts and contributes to their ultimate success. We are looking forward to working with **CMS Solutions** to deliver the LifeSize HD experience to customers.”

LifeSize pioneered high definition video communications to deliver the telepresence experience from the desktop to the conference room with up to Full HD 1080p video. With the ability to provide HD video communications under 1Mbps, as well as the highest resolution available at any bandwidth, LifeSize systems enable customers to cost-effectively deploy HD video communications. The full suite of LifeSize solutions is immediately available for order from **CMS Solutions**.
